

# Value creation via collaborative networks – Feedback from ENGIE as a member of SCORE LCA

Anne Prieur-Vernat

# SCORE LCA

SCORE LCA  
Studies, workshops

A collaborative  
network for the  
highest added value

Costs sharing  
Launching studies that wouldn't have been  
launched without the network

Improving the relevance of the LCA team  
internally  
Support to justify methodological practices

Good support to internal exchanges within  
the team, better cohesion  
Improving skills of the team

Support to R & D roadmaps  
Better anticipation of needs  
Improvement of practices
