Discussion panel - assessment of externalities: Monetization and social LCA

Why this topic?

Where are we with these two methodologies?

Examples of experience on those will be given from the panelist and then A discussion on the potentials, challenges and benefits of these methodologies will be discussed.

Our panelists:

- Philipp Preiss - Hochschule Pforzheim, Germany
- Augustin Chanoine, Deloitte, France
- Max Sonnen, Ecomatters, Netherland
- Richard Van Gelder, BASF Germany
- Alain Wathelet, Solvay, Belgium
